Club Screening Policy

Mississauga Croatia Soccer Club (MCSC) accepts its responsibility to players, parents, volunteers and staff involved in its programs and is committed to ensuring adherence to the following policy to support the provision of sound, safe, and healthy soccer experience in our community.

Due to the positions of trust that are inherent in the provision of active, high quality sport activities, volunteers and employees shall be required to undergo a screening process based on the duties assigned by the Club. This screening process will be comprised of a variety of measures listed herein. All volunteers/employees will be introduced to duty assignments as well as relevant Club policies and expectations. The Club Members should advise the Club's Executive representatives if he/she believes they have had an experience that contravenes the Club policy.

CONFIDENTIALITY OF INFORMATION

Once the Club receives information about an applicant, whether from the applicant directly or from the police, the organization becomes responsible for that information and is then subject to many of the same legal requirements and regulations as other holders of personal information, in terms of confidentiality and access. Information received will be used to determine if an applicant is suitable for a specific position. Only Club Executives or appointed staff will have visibility of any gathered information. Information received by the Club it shall be stored in a manner that is consistent with general office accepted procedures in a cabinet accessible by Club Executives or appointed staff members and shall only be disclosed to the District authority or by court order to legal authorities as required. All confidential information shall be kept for seven (7) years. The Club Executives are encouraged to complete the Oath of Confidentiality found in Appendix "A" herein.

POSITIONS AND RISK ASSESSMENT

Definition of Risk:

The first principle of screening is risk management, which simply means "What could go wrong here" and "How do we avoid it?" Risk management involves looking at the possibilities of loss or injury that might arise in programs, activities and services and taking steps to stop, minimize, prevent or eliminate them all together. This includes the Club's obligation to take all reasonable measures to care for and protect their participants from harm. The need to screen an applicant is dictated by the nature of the position and its inherent level of risk. When determining risk consider such factors as the participant, the environment, the nature of the activity, the level of supervision and the nature of the relationship.

For example, a high risk position is defined as a position in which staff members, volunteers, or Board members are in direct contact with, or provide direct service to, vulnerable individuals, and in particular when the applicant will be in a position of trust, power or influence and whose contact is unsupervised and/or takes place off site.

Definition of Positions:

The various levels of play in the sport have been ranked according to the level of risk associated with that position and the appropriate screening measures have been assigned to each level of risk.

HIGH RISK POSITION

- Competitive Team Officials (Representative)
- Select Team Officials
- All-star Team Officials

MEDIUM RISK POSITION

- Game Officials

LOW RISK POSITION

- Recreational Team Officials
- Mini Soccer Team Officials

The definition of the respective risk position are identified in Appendix "B"

VOLUNTEER SCREENING COMMITTEE

The Club shall have a screening committee to appoint team officials for the appropriate positions taking into consideration the screening criteria. The screening committee shall be comprised of Club Executives and if possible, a Club Member with human resource experience, preferably familiar with screening techniques.

POLICE RECORDS CHECK

All Club Members that are in a position of team supervision i.e. manager, coach, trainer, etc. and that are in contact with minors shall be required to submit a Police Records Check prior to appointment with the Club. Police Records Checks shall be valid as per the posted regulations provided by the respective police force in the respective jurisdiction where the applicant resides. Those Club Members that have unacceptable behavior shall not be permitted to hold a position of supervision in the Club.

Unacceptable behaviour may include, but are not necessarily limited to, the following:

- Sexual Offences
- Violent or threatening behaviour against children or adults
- Conduct against public morals (i.e., prostitution)
- Substance or chemical abuse
- Violation of a position of trust including theft or fraud
- Criminal driving offences, including but not limited to impaired driving.

If an applicant's Police Record Check indicates any of the above referenced or other unlawful conduct, the Club Executive shall review the applicant's record and determine whether the applicant should be allowed to hold a supervisory position with the Club. Should the Club Executive find at their discretion that the applicant's criminal code conviction is not acceptable as per the Club's constitution, this or any other related Club policy then the applicant will be told of the Club's decision not to allow him/her to hold a requested position. If in the course of the Club Executive's investigation find that the applicant's criminal code conviction, charge is without disposition or police contact, the Club Executive may under majority vote by the Club Executive, allow the applicant to hold position within the Club.

EVALUATION PROCESS

Any person that is applying for a position in the Club may be subject to an evaluation process that could be administered by one or more Club Executives. The evaluation may consist of, but not limited to, a designated Club Executive contacting the players and/or parents of the applicant's respective team(s) in person or by telephone for informal interviews on the performance of team staff. The Clubs may also use an evaluation form as may be developed from time to time that covers topics such as Coach's training and education for future appointment purposes.

ZERO TOLERANCE POLICY

The Club is a strong supporter of making sport safe for all Club Members. The Club has set up the following program to help ensure the safety and enjoyment of all. All players that are the age of majority in Canada, parents, team officials and officials are to complete the respective Code of Conduct forms which outline the rules and regulations as published by the Club.

Policy

Any coach, parent, grandparent or guardian judged by the Club Executive to be guilty of abusive conduct toward a player, parent/guardian, game official or other before, during, or after a game will be reprimanded by the Club Executive either in writing or personal contact by telephone or in person. A second incident, during the same season may result in the Member being restricted from all services rendered by the Club including attendance at all soccer activities with the Club. In certain circumstances, as determined solely by the Club Executive, a Member may be reinstated subject to a review hearing.

Policy Procedures

When a game official feels that they are being abused, as per the scope of this policy, by a coach, player or spectator, the official will be allowed to suspend the playing of the game. If the abuse is physical, the game official is advised to inform the coaches that the game has been abandoned and then advise the competitive team representative or other Club Executive of the situation in writing.

The official will verbally advise both coaches that the game has been stopped due to the abuse and inform both coaches as to the source of the abuse. If the source is one of the coaches, the official will advise the coach that the next occurrence of a similar nature will result in an abandonment of the game and that a report to the Club's Executive will be sent in for review. If the source is a spectator, the appropriate coach will provide the official with the name of the spectator and the coach must advise the spectator that the next occurrence of a similar nature will result in an abandonment of the game. Further, a report to the Club's Executive will be sent in for review. If the spectator is not associated with either team, both coaches are asked to speak to the spectator and ask the individual to leave.

Once the spectator has left the vicinity of the field, the game will restart with a dropped ball between the two teams at the location where the play was stopped.

If the abuse continues, the official will be allowed to stop any further playing of the game and advise the coaches that the game has been abandoned and that a special incidence report will be forwarded to the Club's Executive. The official must clearly indicate on the game sheet that the game was abandoned due to abuse.

1. The game official must contact either their Referee Coordinator or a member of the Executive to verbally report the incident within twenty (24) hours.
2. A written report, with the assistance of the Referee Coordinator or a member of the Executive, if required, must then be forwarded to the Club within seventy-two (72) hours.
3. The Club's Executive will then review and deal with the report as per their guidelines.
4. If the game was abandoned due to the conduct of a spectator not associated with either team, the Executive will determine at their sole discretion the status of the game.

If the game continues without any further incident, the game official is advised to inform their Referee Coordinator that the game was temporarily suspended due to abuse toward a game official. Further, a note should be made on the game sheet.
