February 2020

Dear Sponsor:

Mississauga Croatia Soccer Club is a Croatian-Canadian community-based, non-profit soccer club with membership of approximately 500 players ranging from age 4 to adult. Our sports club is a member in good standing with the Peel Halton Soccer Association (PHSA) as well as with Ontario Soccer.

The club's primary goals are to promote and develop youth soccer within the local community and to cultivate life-long relationships among our children.

The sport of soccer is becoming more expensive each and every year with the increasing costs of field rentals, uniforms, equipment, tournaments and league fees. In order for our teams to be involved at competitive levels, sponsorship support is greatly appreciated in order to minimize individual fees for families.

We are currently conducting our 2020 sponsorship drive, and kindly ask for your support.

Our Club relies on sponsors for its survival, and in 2020 is offering our sponsors a wide range of sponsorship options:

- **\$5,000 Platinum House League Sponsor** – logo on the back of every child's House League jersey, logo on every coach's jersey, an appreciation plaque and exposure on our website
- **\$1,500 House League Field Sponsor** – signage displaying the sponsor's information every Tuesday and Thursday at our home fields, an appreciation plaque and exposure on our website
- **\$1,000 House League Water Bottle Sponsor** – logo on every water bottle provided to House League players, an appreciation plaque and exposure on our website
- **\$1,000 House League Gear Bag Sponsor** – logo on every Gear Bag provided to House League players, an appreciation plaque and exposure on our website
- **\$750 House League Coach Jerseys Sponsor** – logo on shoulder of every House League Coach's jersey, an appreciation plaque and exposure on our website
- **\$500 Major House League Team Sponsor** – logo on the front of a House League Team's jerseys, an appreciation plaque and exposure on our website
- **\$250 Minor House League Sponsor** – exposure on our Web site
