# Mississauga Croatia S.C. Recruitment & Retention Policy

## **RECRUITMENT & RETENTION**

The Mississauga Croatia Soccer Club (MCSC) is committed to the long-term recruitment and retention of female coaches as an initiative for the betterment of the game. The current MCSC participation is 25% female, yet we remain significantly under-represented with females in the coaching ranks. The MCSC goal is to increase the number of coaching opportunities for females...at all levels annually.

### **Mentoring**

- Establish a mentorship program that helps women coaches find a path to club-level, provincial, and high-performance positions.
- Pair young coaches with senior counterparts to discuss related support pathways and offer psychosocial support.

### **Recruiting**

- Encourage young women athletes to consider coaching, support them with mentorship.
- Create and promote opportunities for women coaches.
- Find better avenues to bring more young women into the coaching ranks.

### **Work Conditions**

- Offer co-coaching positions.
- Guarantee that coaches are qualified and well organized.

### **Education**

- Provide coaches with the opportunity to interact with other coaches at symposiums and clinics.
